There have been unforeseen legal difficulties and delays in the transfer of the property bought by the London Missionary Society for the purposes of this Hospital, in consequence of which the erection of the building generously under taken by Dr. Ho Kai has been deferred. It will be remembered that the sum of \$14,000 provided by the society for the purchase of Inland Lot No. 62a from Mrs. Caldwell had to be

supplemented by local subscriptions to the

amount of \$8,000. Towards this object many

have already given liberally. The income at this date stands as follows:— Subscriptions already published... S. Tanabé, Esq. T. Simamura, Esq.
